

**2023 Bursary Awards for  
Veterinary Surgeon Research**

# The MSD Animal Health Research Bursary

**Investing in the veterinary profession through research**

Research has never been more essential for One Health, the welfare of animals and the future of the veterinary profession. The MSD Animal Health Research Bursary is now welcoming applications to support veterinary surgeons in their research ventures.

Three research bursaries of up to £4,000, two for ruminant and one for companion animal veterinarians, will be awarded to practicing surgeons within Great Britain, in certain disease areas.

## How to apply

Applications are now open

Deadline for entries is **27th October 2023**
